

# Cumbria Safeguarding Adults Board 2019 - 2021 Plan on a page

**Our Vision:** We will put the people of Cumbria at the centre of everything we do.

## Our commitment to you

We will support the protection of vulnerable people in Cumbria and ensure they receive the appropriate service.

We will listen, learn and proactively support all agencies to improve, share, embed and deliver effective practice.

Provide the public with assurance of effective safeguarding services across Cumbria

Ensure effective collaborative working between safeguarding agencies

## What will we do?

Hold agencies to account to ensure effective service

Work together to learn and improve services where possible

Listen to our communities and provide a voice for service users
